### Experience

- 1, Had been working as lecturer in Computer Science for eight years at Marian College, Kuttikkanam, Kerala, India.
- 2, Presently working as lecturer in Computer Science at Sherubtse College, Bhutan under the Technical Co-operation Scheme of Ministry of Economic Affairs, Government of India.

### Contributions/Research activities during the period of deputation in Bhutan

#### 1, Website for Sherubtse College

I had designed and developed a website for Sherubtse College and now it is available globally with the URL [www.sherubtse.edu.bt](http://www.sherubtse.edu.bt).

#### 2, Research Project on Software Cost Estimation

During this period I had successfully completed a research based project for Department of Information Technology (DIT), Royal Government of Bhutan. The project is intended to develop formal guidelines in Software Cost Estimation for DIT

### Paper Presentations

- 1, Presented a paper named "Geographic Information System For Refining The Election Process – A Conceptual Tool" for the symposium organized by Royal University of Bhutan with the theme "In Preparation for 2008 and Beyond"

2, Presented a paper entitled “ICT for preserving Bhutan’s environment” for the seminar organized by Royal University of Bhutan on the world environment day.
